Dear Parents/Guardians

STAR School Treat

We are pleased to inform you that your child has earned enough behaviour points to attend STAR school this half term. This means that your child has demonstrated excellent behaviour, polite manners and a positive attitude towards their learning. We congratulate your child for this - we are very proud of them.

STAR school will take place during the day on Thursday 24 May and will be held in school. This half term the treat will be 'Outdoor Activities' and the children will be able to choose from a variety of skills.

We hope that the children will enjoy their treat and we look forward to celebrating their achievements with them on Thursday.

Thank you for your support.

Yours sincerely
