Swimming at Heathfield School

Dear Parents

We have completed the initial swimming assessments for Year 3 pupils at Heathfield pool. The children enjoyed the experience and should be very proud of the effort they put into the lessons.

As stated in the previous letter, swimming lessons at Heathfield are to be offered to those children who would benefit from developing water confidence and practising a range of basic skills in order to be able to swim a minimum of 10 metres.

Your child will not swim at Heathfield at this time. This is because they proved stronger in the assessments and so do not need to develop basic skills at this elementary stage; we are confident they will continue to flourish with the rest of the school swimming programme.

You will receive a further letter when lessons are due to commence. We currently take children to Barncroft Primary School pool where all children receive 7 lessons.

Thank you very much for your support.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Mrs Johnson', with a long horizontal flourish extending to the right.

Mrs Johnson
Deputy Headteacher
