20 June 2018

## **Ranvilles Junior School Summer Fair** **Thursday 21 June 2018 1.30 – 3.15pm**

Dear Parents/ Carers

Further to our previous letter, we are writing to share some final organisation details with regards year 5 and 6 children's involvement in the summer fair. As all students in Year 5 and 6 are required to run stalls we have created a timed rota to ensure that all children receive an equal opportunity to experience the fair for themselves. To make sure that the rota works, the afternoon has been split into four twenty-minute slots and the groups running stalls have been divided into two (Group A and Group B). You will receive a text to say which group your child is part of. The rota for the afternoon is shown below and the children are free to enjoy the fair when their group is not required to run their stall.

1.30 – 1.50 – Group A

1.50 – 2.10 – Group B

2.10 – 2.30 – Group A

2.30 – 2.50 – Group B

As stated in the previous letter, all Year 5 and 6 children are required to pack up their stalls at the end of the day. The rota ensures that all children are back at their stalls by 2.50. The stalls themselves will close at 2.55 at which point the children in Year 5 and 6 will remain outside packing away their stalls. You are welcome to go to the school hall at this point to enjoy the raffle. Once everything has been packed away outside the children will return to class with their teacher. They will be dismissed from school as normal at 3.30. Organising and running the Summer Fair is an excellent opportunity for children to develop and showcase their responsibilities and that they have the qualities needed to see tasks through to completion. To encourage this and ensure that we, as a team, make the fair successful means all children must stay until the end of the day.

We look forward to seeing you, your friends and family enjoying the fun and games of Ranvilles' Summer Fair and we thank you for your continued support.

Yours sincerely

The Year 5 and 6 Teams
