Dear Parents/Guardians

Year 3 Butser Farm Trip

To launch our 'Stone Age' study in an exciting and practical way, we would like to take the children to Butser Farm. The purpose of this visit will be to develop the children's understanding of the Stone Age and how they influence our lives today. From this experience, children will be able to observe how people once lived and partake in Stone age activities to gain a deeper insight into this point of time whilst developing their historical skills.

We will be taking each class for a day trip, **3L on Monday 26 November** and **3P on Thursday 29 November**. Children will need a packed lunch for this trip. Children will be transported to Buster Farm by the school minibus and will return to school by 3:30pm. They will need to wear warm, comfortable, old clothes and have a waterproof jacket and suitable outdoor shoes for the Great British weather!

The cost of this trip is £13.30 per pupil which covers the entrance fee activities and experiences for the day and transport. Please pay by returning the slip below or online.

If you have any questions about this trip please contact us for further information.

Yours sincerely

Ms Lenaghan
