

# Welcome to Ranvilles!

Year 3, Project 1

## Project Outcomes:

**This project is a transition project that welcomes and settles the children into their new school. The project begins with the children learning about our school and developing their sense of belonging in their new community. The children explore their rights at the school and therefore their subsequent responsibilities and what it means to be part of Team Ranvilles. The project then broadens to explore the local area and a comparative area, exploring the similarities and differences to understand why people choose particular places to live. The children develop an understanding of what it means to belong somewhere, how people contribute to a team and how they must value the people and environment around them.**

Spiritual Outcomes:	<ul style="list-style-type: none"><li>• We appreciate the values of the school and know how to conduct ourselves in our new environment.</li><li>• We explore, have confidence in, and enjoy our own talents and interests, recognising our value and sense of belonging in our school and community.</li></ul>
