

# The Great, The Bold, The Brave!

## Project Outcomes:

**In this project the children investigate the concept of legacy, giving consideration as to how different people/times are remembered and for what reasons. They study the Ancient Greeks and the legacies they left in the world. The children extend their learning about democracy as part of this project, recognising its origin in Ancient Greece. The focus then turns to the children, planning and formulating the legacy they wish to leave on society, giving consideration to why we have positive or negative impressions of people, things and places. They evaluate whether it is better to be remembered for significant world-renowned achievements or for the positive impact they make personally on people's lives.**
