Explore and Debate:

Change

How are we changing as we grow up? What skills and attributes must we employ to embrace change?

PE

Project Outcomes:

In this short unit, the children learn about the physical and emotional changes they experience as they grow and change. They continue their learning about making healthy choices and extend this by examining the impact of smoking, drugs and alcohol on their bodies and their lives. The children explore the skills and attributes they will need to develop and employ as they grow up and face different challenges.
