

# The Future is Fair!

## Project Outcomes:

**In this project, the children learn about aspects of economic activity and trade links around the world. They explore the concept of fair trade, and with a focus on food, the children discuss, debate and analyse whether fair trade really is fair for all involved.**

**Alongside this project, the children learn how to cook some basic recipes in preparation for moving to secondary school. The year 6 Sex and Relationships Education lessons also take place in this project.**
