4. INTRODUCTION

We are committed to developing the whole child. Learners develop **spiritually, morally, socially and culturally (SMSC)** through a carefully constructed curriculum that underpins SMSC lines of enquiry and a dedicated focus of, **'Be you...Explore...Excel...'** Children learn in a climate and ethos which enables them to grow and flourish, become confident individuals, and appreciate their own worth and that of others. We want children to be the very best they can be, now and in the future. Our aim is to maximize the arts, academic and emotional potential through a creative curriculum which fosters innovative opportunities to learn through holistic concepts.

6. CONTENT

Ranvilles Stars philosophy and SMSC learning is embedded in a creative curriculum that meets and extends National Curriculum statutory milestones. Learning procedures, established in collaboration, underpin and identify how children will secure ability and age-related expectations in core and foundation subjects. Our commitment to build on KS1 foundations and to ensure pupils are secondary ready is resolute and can be evidenced through considerate, curriculum planning.

Our diverse curriculum provokes thought and reflection through core SMSC lines of enquiry. The curriculum meets the requirements of the National Curriculum as well as the needs of the pupils in our school in order for them to fulfil our motto: **'Be you...Explore...Excel...'**. The curriculum promotes the British and fundamental world values of:

- Democracy
- The rule of law
- Individual liberty
- Mutual respect
- Tolerance of those of different faiths and beliefs

Our mission is that children will actively engage in an EPIC Journey of Discovery through our SMSC focused curriculum entitled, ‘**Exploring the World...Exploring Me....**’enjoying learning as they secure their potential.
