

Weekly Learning Reflections

Wow, what a busy week we have had! The attention turned to reading and biscuit making this week as the children grew in their excitement of World Book Day and the author visit by Guy Bass. It has been a very busy week but the children have managed to apply themselves well and work hard in their learning.

This week, the children have begun to look at diary entries. They have analysed and explored the key features of various diaries and then compared them to see which they preferred. Lots of discussion has taken place on the topic of emotive language and the children are looking forward to planning and writing their own next week.

Continuing our work on fractions, children have used a variety of resources to help them explore and challenge themselves to work out tricky questions. They have practised using bar models, part-whole models and other techniques to help them add and subtract fractions efficiently and accurately.

On Wednesday morning the children practised baking biscuits with Mrs Wigmore. They will be refining and adapting the recipe in the coming weeks to ensure their next batch of biscuits are delicious and crunchy. As well as this, they have continued to explore where food comes from and enjoyed looking at where chocolate comes from and how it is made.

Our week would not have been complete without all of the fantastic costumes on World Book Day and the incredible visit from Guy Bass. It was great to hear the children talk so enthusiastically about the books they had brought in and they were enthusiastic and engaged during Guy Bass' talk as well. His presentation was an excellent way to end the week and all the children thoroughly enjoyed it.

★ ★ ★ STARS OF THE WEEK ★ ★ ★

Pupil Star of the Week - ★ Harper ★

Harper was chosen as Star of the Week with the children asked to focus on independence. They recognised that Harper will eagerly apply herself to her learning and remains focused on the task at hand without needing any encouragement. Harper sets a great example to the rest of the class of how to be independent and Star of the Week is well-deserved. Well done Harper, great work!

Teacher Star of the Week - ★ Lily ★

This week I have chosen Lily as my Star of the Week. Lily continuously shows a positive attitude towards her learning and challenges herself each and every day. She works with enthusiasm and can always be relied upon to make the right choices and persevere with the task at hand regardless of how confident she feels. You've had an excellent week Lily, keep up the super work!

I hope you all have a lovely weekend,
Mr Castell
