

Weekly Learning Reflections

Week Beginning:

Happy Friday 😊

We have come to the end of the first week of Year 3 and it has been a busy one.

There is a lot to learn when starting Junior School. The children have to get to know the routines, expectations, learning values, systems and so much more. The amazing members of Radiant class have done so with enthusiasm and manners that I am so impressed with. It has been great to get to know them and see which aspects of Juniors they are looking forward to and which they are a little worried about.

These weekly updates will give you a small insight of what we have been up to in the week but also to inform you of our Stars of the Week. Each Friday the children will nominate and choose a Class Star. This will be a member of the class that believe has shown our EPIC learning values skills throughout the week. The class teacher will also select someone to be the Teacher's Star for EPIC reasons also. A tricky choice for all, especially on the first week back but without further ado...

★ ★ ★ STARS OF THE WEEK ★ ★ ★

Class Star of the Week is Ella!

The class has chosen Ella this week because she has been trying really hard all week. She has mentioned how she always has a welcoming smile for everyone throughout the day. Her kind and caring nature makes everyone feel lucky to have her in our class. Well done Ella- what lovely things to have said about you.

Teacher Star of the Week is Joel!

Joel has settled in brilliantly at Ranvilles Junior School. He has impressed me with the confidence to share his amazing ideas during class discussion which has benefited the whole team. Keep up the hard work Joel – what a fantastic first week!

Well done to our stars.
