

Weekly Learning Reflections

Week Beginning: 07 October 2024

Another excellent week in Victory and it has been full of so many positive attitudes and enthusiastic learners. It is lovely to see the children developing each week and challenging themselves and each other to meet the standards expected of them.

Delving into storytelling this week, the children ventured on a journey through woods in order to expose their senses to the wonders of nature. Taking them through the different sights, sounds and feels enabled them to come up with some excellent description which they were then challenged to use in a setting description.

Moving on from number and place value, the children have begun exploring formal methods of addition and subtraction. All children have shown great perseverance and independence in their learning, using dienes and counters to assist their accuracy. It has been great for the children to see what perseverance can achieve.

History has taken over from Art now and our adventure through the ages opened the children's eyes to what their lives may have been like if they had been born into a different time period. They explored with enthusiasm before moving onto classifying animals based on the types of teeth they have. Finishing the week off, we continued to practise fundamentals in PE, focusing on skipping and are developing our motifs in Music.

★ ★ ★ **STARS OF THE WEEK** ★ ★ ★

Pupil Star of the Week - ★ Evelyn ★

Evelyn has been chosen as the Class Star again with the children asked to focus on challenge and perseverance. They identified that Evelyn continuously tries her best and although may find some work challenging, she doesn't give up and pushes herself in order to achieve her goals. A great attitude and well deserved, keep up the excellent work Evelyn.

Teacher Star of the Week - ★ Ellen ★

Ellen has worked incredibly hard this week showing fantastic perseverance and challenge. Although challenged by some of the work earlier in the week, she continued trying and listened to advice and is now much more confident. She has set an excellent example for the results perseverance can bring and can be extremely proud of herself. Keep up the fantastic attitude Ellen!
