

Weekly Learning Reflections

Week Beginning:

Happy Friday 😊

Another busy week has come to an end and after Monday's trip the excitement continued.

English this week has seen us finish a narrative based on the story 'Du Iz Tak' by Carson Ellis. The children utilised their plans alongside their descriptive language and conjunction skills to re tell the story. I was very impressed with their advanced vocabulary when describing the scenes and use of speech to show communication between the bugs.

Art continued with our Stone, Bronze and Iron age theme as the children discovered cave paintings. After an initial review of their opinions the children used images of British wildlife to create simple sketches. They used their previous learning to build up shape and then limited detail to replicate the ancient style of art.

As you can see from the photos, the children enjoyed their gymnastic lesson this week as they explored a range of balances and stretches. Team work was crucial as those sharing a mat needed to be in unison as they transitioned between each shape.

★ ★ ★ STARS OF THE WEEK ★ ★ ★

Pupil Star of the Week - ★ Ava-Leigh ★

This Week I have awarded Ava-Leigh the teacher Star of the Week. Ava is a kind and caring individual who respects everyone in the class. She is always there to encourage and support her peers and it is wonderful to see that her own confidence is growing too. Keep up the hard work Ava.

Teacher Star of the Week - ★ Paisley ★

The class have voted Paisley to be Class Star of the Week. They said that Paisley is a hardworking and encouraging member of the class. They admire her determination to tackle every challenge with a positive attitude.

Well done to our stars.
