### 3. APPROVAL

Approval date: November 2024

Date for next review: December 2027

#### **4. INTRODUCTION**

At Ranvilles Junior School, we aim to make appropriate charges which enable and encourage the development of a wide range of enriching activities and uses of our facilities.

#### **5. REFERENCES**

This policy should be read in conjunction with the school's Child Protection Policy which details specific safeguarding requirements of service providers using the school site. This policy requires service providers to supply written reassurance that they have screened current employees/volunteers; have appropriate employment/volunteer screening processes in place and that they have an adequate Child Protection Policy in place or will follow the school's own policy.

#### **6. PRINCIPLES**

- We make no charge for National Curriculum and related activities in school time e.g. subject related visits
- We may ask for voluntary contributions for the above activities wholly or partly in school time which otherwise would be prohibited by cost. No child is excluded from any such activity on the basis of non-contribution
- Support is available towards part or all the cost of activity where there are financial difficulties or the family is in receipt of Income Support, Child Tax Credit, Disability Living Allowance or an income-based Jobseeker's Allowance.
- We may charge where it enables an increase or enriches non-statutory extra-curricular provision at any time. An alternative activity will be offered to pupils not paying for the activity if it is during school hours
- We support the development of all community groups' use of school facilities through a flexible charging approach
- We offer minimum cost of facilities for non-profit making community activities
- We raise income for school from local groups' use of facilities where requested
- We offer caretaking services to users
- We expect community groups and service providers to comply with the requirements of the school's Child Protection Policy
