

Weekly Learning Reflections

Week Beginning:

Happy Friday 😊

I have been truly wowed by the children's creativity in English this week. We have been developing our sentence skills by using time, place and cause conjunctions to add further detail to descriptive sentences. Razvani's Grotto, from *The Firework Makers Daughter* by Phillip Pullman, is our exciting setting as the children develop his back story as to why he is a fire fiend. These descriptive skills will be key when writing their missing chapters.

Our Big Problem in maths saw us sailing the seven seas as we tackled a treasure hunt. The children faced a range of fraction problems. They used their fraction skills brilliantly, as well as applying the explanation skills we have been working on in our learning over the past couple of weeks. This has been a tricky task as not only do you need to know the answer, you need to explain the thinking behind it too. I have been super impressed with the children's efforts with this.

Miss Whyte led our Friday PE sessions again this week as the children continued to learn the complex rules and footwork skill needed to play netball. She was very impressed by the cooperation and collaboration skills shown by many this afternoon.

★ ★ ★ STARS OF THE WEEK ★ ★ ★

Pupil Star of the Week - ★ Logan ★

Class star of the week goes to Logan for his focus, perseverance and independence within his learning - in particular, in our fractions unit this week. Logan has also been a role model for behaving considerately this week both in class and around the school – a fantastic effort. Well done Logan!

Teacher Star of the Week - ★ Dempsey ★

Teacher star of the week goes to Dempsey for her kindness and perseverance. Dempsey treats everybody in class Astute with respect and consideration and will always perseveres with the challenges that have been set for her. Well done Dempsey!

★ ★ ★

Hope that you all have a lovely weekend,

Miss Hunt and Mrs Wigmore 😊
