A bank of memories

The wheel of fortune has turned again,
This place I will remember,
Another more-sadness bubbles,
It's time for me to go,
T...
There are places I remember,
We are mid-flight,
Being carried over land and sea,
New adventures await,
I explore a new home,

There are places I remember,
Anxious & worried I glide through the streets,
A ghost to passers by,
But snap a light an angel a friend,
I hope old friends remember me,

T... The places I remember.
